Article Second:

We believe the following summary of articles of the Christian (Pg. 6) Faith to be contained in the above mentioned and very suitable for every one who desires to give their heart and soul to God and to be admitted to the privileges in the Church, the same as described herein to be confirmed.

First:

That there is one and only living and true God, in three persons; the Father, the Son and Holy Ghost, the Great Creator, Preserver and Governor of the world.

Second:

That God the Father sent His only Son, Jesus Christ, to be crucified for the redemption of the world and to be raised up by His all-powerful Father (Pg. 7) from the dead and to sit at His right hand and to judge the world into a state of glory and happiness, out of which he would deliver mankind in His Kingdom.

ARTICLES of FAITH, COVENANT and DISCIPLINE (Pg 3)

Agreed to by those whose names are hereunto subscribed; who formed themselves into a distinct or particular Church of Christ in Rutland on Otter Creek, October 20 AD 1773. By the direction and assistance of the Rev. Benijah Roots, Late Pastor of the First Church of Christ in Simsbury.

We whose names are under written being desirous of forming ourselves into a particular Church of Christ for (Pg 4) the sake of enjoying the special ordinances of the Gospel according to our own consciences have come into the following mutual agreement with each other as in the fear of God, respecting Articles of Faith, fellowship and discipline.

Article First:

As to Articles of Faith, we say we believe that the scriptures of the Old and New Testaments are the only infalliable rule of faith and practice. But as all denominations and sectaries who profess Christianity pretend to form their religious sentiments from the (Pg 5) scriptures, we think it is expedient to have some plain and explicit articles of Faith for a test of Orthodoxy, that we may know whether we understand the scriptures alike or not; for we look upon it necessary, that every Church of Christ be agreed at least in the fundamental doctrines of the Christian Religion. And for the purpose mentioned above we profess to believe that the shorter and larger Catechism and articles of Faith all composed by the Assembly of Divines at Westminster be agreeable to the Word of God.

Article Second:

We believe the following summary of articles of the Christian (Pg 6) faith to be contained in the sacred scriptures and very suitable for everyone understandingly to give their assent unto, who are admitted to special privileges in the Church, the same, we ourselves profess to do; particularly:

First:

That there is but one only living and true God, in three persons, the Father, Son and Holy Ghost, the Great Creator, Preserver and Governor of the World.

Second:

That God did make man in his own image, consisting in knowledge, Righteousness and Holiness but man by his disobedience fell (Pg 7) from that holy and happy state and has plunged himself into a state of sin and misery, out of which he cannot recover himself and in which

he might have been justly left of God to all Eternity.

Third:

That God out of his mere goodness has opened a new and living way of life to fallen, sinful, guilty Man, by the mediation of his Son Christ Jesus, who has offered up himself a sacrifice of atonement to God; for the sins of the World and all are invited to put their trust in him and to return home to God thru' him, and that there is salvation in no other way.

Fourth:

That mankind in their present fallen state are dead in trespasses and sins, and so contrary to God and a life of holiness and (Pg 8) averse to a reconciliation, that without the special influences of divine grace, they will never saveingly harken to and comply with the call of the Gospel, and that therefore the Conversion and Salvation of sinners is really owing to the distinguishing sovereign grace of God.

Fifth:

That altho we are justified by faith and saved by grace yet the law as a rule of life remains in full force to Believers so that perfect holiness of heart and life is their duty, nor does the Gospel of free grace countenance or encourage them to live in the least sin.

Sixth:

That all true believers shall finally be recovered by the (Pg 9) grace of God, to perfect holiness and be perfectly happy in the full enjoyment of God to all Eternity; while the Wicked and impenitent shall go away into everlasting punishment. The following Covenant of grace we do hereby declare our sincere and hearty consent unto and do judge it expedient and necessary that all who are admitted to special privileges in the Church should do the same.

THE COVENANT

(Pg 10)

You do now in the awful presence of the dread Majesty of Heaven and Earth and before Angels and Men, with the utmost seriousness and sincerity of your Soul, Avouch the Lord Jehovah to be your sovereign Lord and supreme good thro Jesus Christ, and solemnly devote and give up yourself to his fear and service and engage yourself in the most Sacred ties to observe all God's Commands seeking his glory and a conscientious performance of all Christian duties; in all the Ordinances of Christ in his Church

(Pg 11)and in this particular Church so long as God shall continue you here: always depending upon Christ Jesus to assist you in the performance of every duty and that you subject yourself to the discipline of Christ in his Church.

This is your Covenant
Promising UC (?)

Article Third:

Agreeable to the above articles of faith and Covenant, we believe that no one is a qualified member for communion in all special ordinances, but such as are sound and knowing in the fundamental Doctrines of (Pg 12) the Christian Religion; and are persons of real holiness and honesty; professing cordial subjection to Jesus Christ and that the Church ought not to admit any to communion in all special ordinances but those who to a Judgment of Charity regulated by the word of God are persons of this Character.

Article Fourth:

As to the practice of owning the Covenant, (in the half way form) according to the custom of some Churches, we wholly object and forever renounce as what (we verily believe) hath no foundation in the word of God.

OF CHURCH DISCIPLINE (Pg 13)

First: That no person shall be admitted to special privileges barely upon a letter of recommendation without examination because particular Churches receive members upon different principles (N.B.) it is a vote of the Church that those who have letters of recommendation may be examined by the Pastor alone.

Second: That if the Pastor or any member shall be dissatisfied with any proceedings of the Church they shall have the privilege of calling in a mutual Council consisting of an equal number of Pastors and delegates of the Congregational profession unless the parties shall otherwise agree (Pg 14)

Third: If any shall speak reproachfully to or of the Pastor or diminutively and contemptuously of his Doctrines he shall be deemed and treated as a Scandalous Offender except it be by regular complaint to such as are to be judges in the case; or by way of evidence to such complaints and before any complaint shall be exhibited against a Pastor, the previous steps of private dealings directed to in the 18th Chapt. of Matthew shall be duly observed, the same method shall be taken with a private brother.

Fourth: Every member of the Church shall duly observe the Lord's day; and constantly attend the public

Worship of God and his holy ordinances every Lord's day or as often as there is opportunity for it, unless necessarily detained or be judged guilty of Scandal and be proceeded with accordingly and if any such person neglect the public worship of God or his ordinances (Pg 15) anyone Sabbath he shall be ready to give reason of his conduct therein to every Brother that shall ask him, and if any man that is a Brother shall neglect the worship of God; his family (if he has any) or shall not pray Morning and Evening with his family and daily read some portion of Sacred Scriptures with or to his family, extraordinaries (Pg 16) excepted shall be deemed guilty of scandal provided also that he be not necessarily absent.

Fifth: If any Brother or Sister shall neglect to instruct his or her family, if he or she has any and that most frequently and diligently according to his or her ability and as much as in them lies, to restrain them from evil courses shall be deemed guilty of scandal and be proceeded with accordingly and in case a Brother or Sister is obstinate and will not conform to these rules he or she shall be treated and prayed for as a heathen. And if any have children or servants that will not submit to his or her instruction, he or she shall call in the assistance of some of the (Pg 17) Brethren and if possible by their joint endeavors they may be reclaimed.

Sixth: We who enter into this covenant and agreement do promise & engage as in the presence of God that we will watch over ourselves and one another and exhort one another daily while it is called today, and if we see our Brother or Sister overtaken in a fault we will most surely reprove him, in the spirit of meekness, and not suffer sin upon him: We will do it immediately if circumstances admit, if not we will watch for an opportunity and do it as soon as may be from sincere love to him according to the rule given in Discipline Chapt. And we engage that we will be very (Pg 18) careful and tender of our Brother's good name and character in the World; and never expose his failings any further than will be necessary for his good to edification but will cover them with the mantle of love, that we will make it our constant endeavour to provoke one another unto love and good works; laboring to keep the unity of the Spirit in the bond of peace among ourselves and as much as in us lies, live peaceably with all men that we will behave ourselves soberly and righteously towards them, that the word of God be not (Pg 19) Blasphemed and in all things we will endeavor faithfully to keep and conform ourselves to this our Covenant and agreement for which we pray God to give us grace to the Praise of his great Name. Amen.

The two second articles of charge were voted support. The Church obtaining no satisfaction from the offending brother, voted to send him the first admonition. At a Meeting of the Congregational Ch. in West Rutland, 24th July 1807, furthur labor was taken with Rufus Delan, Jun. on the complaint above mentioned but could obtain no satisfaction. The Pastor read to the offending brother the first admonition on Monday 24th July.

Attest, Lemuel Haynes, Pastor

The Sabbath following, brother Rufus Delan made confession of his wrong. Soon after the Church voted to receive him into their charity and fellowship.

1807 Nov. 6 At a Church meeting this day holden at the house of Mr. Solomon Purdys a complaint was exhibited before the Church of Christ by Mr. Timothy Brockway against Mr. Aaron Miller which complaint was voted not supported.

Attest Lemuel Haynes

1809 Feb. 24 A Complaint was exhibited by (Pg 35) Deacon Chatterton against Elihu Howe containing two articles of charge, the first was for " corrupting the truth before the Grand Jury in Rutland last Feb."--, the other was for wickedly departing from the rules of honesty by trading in counterfit bank bills. The Church voted the first charge supported,-- the 2d not supported. Brother Howe requested a council, the church complied and it was mutually agreed by the Ch and the offending Brother to send to the Ch in Pittsford, East Rutland and Castleton to attend to the matter on the 18th day April next 10 o'clock in the morning.

Attest Lemuel Haynes, Pastor

N.B. The Church also voted that the confession made by Elihu Howe the 26 day of last July is not satisfactory.

May 9th Elihu Howe made the confession directed by the council publicly, the Ch voted to receive him into their fellowship.

Attest Lemuel Haynes

1808 Dec. 23rd At a Church meeting holden at Capt. William Meads Dec. 23rd, 1808, their articles of Faith, Church discipline and Covenant were read and

carefully examined. The Ch voted that they continue to approve of each (Pg 36) particular article determining by grace assisting, to live more conformed to them than heretofore they have done.-- and as a standing testimony of their cordial approbation desired to have their several names stand annexed thereto. The Church further voted that all who in future join themselves to this Ch, their voluntary union shall be an implicit declaration (whether they subscribe with their own hands or not) that they would have their respective names enrolled among the members of this Church and that they do most cordially concede to its articles and regulation.

Attest: Lemuel Haynes, Pastor

1809 Nov. At a Church meeting Nov. 1809, a committee consisting of four, viz: Deacon Pratt, Lemuel Haynes, Deacon Chatterton and Deacon Boardman having been previously appointed by the Church to draw up some further articles of practice reported the following which were adopted by the Church. Viz:

Article I No member of this Church shall admit of frolicing or allow of what is called Balls to be holden in their houses-- nor shall any attend such midnight revelings-- nor in any way encourage it. All persons belonging to this Ch who have Children or Servants under their care shall take all prudent and proper measures to prevent their attending such unlawful recreations. (Pg 37)

Rom: 13, 13. Jos: 21, 9-11, 12, 13

Article 2 Every member of this Church shall avoid gaming, betting or laying wagers. Shall not be what is commonly called Tavern haunters not indulate themselves in excessive drinking but always be regulated by the rule of Christian temperance and sobriety.-- They shall not frequent horse races and other occasions of carnal amusements; but endeavor so much as in them lies to have no fellowship with these unfruitful works of darkness.

Eph: 11: 18, 18, 9, 16, 33

Article 3 Every member of the Church shall annually contribute of his temporal property for the support of the gospel as occasion requires according to his ability or as the Lord hath prospered him. 1 Cor. 16, 2 and also from time to time impart to the support of the Lords table and other pecuniary contingences belonging to the Church. If any member or members on candid examination are found deficient in this matter they shall be called upon according to the rule of the Gospel to comply with duty and without reformation shall be dealt with as scandalous offenders. Mark 10: 10, 1 Cor: 9, 14, 11 Ga. 6, 6.

Article 4 One brother of the Ch. shall not go (Pg 38) to law with another in unnecessary cases. 1 Cor. 6 Chapter. But should any brother criminally neglect to pay his just debts (if there be opportunity) the rules contained in the 18th Chap. of Matth. shall be taken with him previous to the commencement of a civil prosecution. We will not criminally or causlessly oppress or distress the poor and needy or take advantage of their poverty Deut. 15, 7, 8. but we will endeavor in all cases to treat our brethen and fellow creatures with tenderness and Christian compassion as becomes the professors of religion. Rom. 10-12

Voted to add the following charge to the 4th article of dicipline heretofore adopted, Viz:

Lemuel Haynes

1811 Feb. At a regular Church meeting, William Denison, Esq. was elected by the Ch to the office of Deacon & after mature deliberation agreed to accept of the appointment.

Lemuel Haynes, Pastor

1812 Mar. 13 At a Ch. meeting holden at the meeting house March 13, 1812 a complaint was exhibited against Deacon Timothy Boardman in the following form:
" Rutland, March 13th, 1812, Wait Chatterton a member of this Church of Christ in West Rutland being burdened with his brother Deacon Timothy Boardman for joining the Washington Benevolent Society as is slited judging for himself that it is a spot in

the religion of Jesus Christ therefore he humbly requests the Ch to inquire into the matter above to that he may be able to discover the beam in his own eye and thereby see clearly to pluck the mote out of his brothers eye! Wait Chatterton. "

Deacon Boardman being asked whether he was a member of the Washingtonian Society answered in the affirmative that he did and he believed all good men ought to. As evidence Mr. Howe (Howe ?) was then called upon under oath to declare something what he knew about this society, it was as followeth viz: (Pg 40)
We will support the Constitution of the United States. Do you feel firmly engaged to support the Constitution? Will you use your endeavors against the inroads of Despotism, Monarchy, Avareracy, Democracy and have it administered agreeable to our beloved Washington ? I saw a letter, I know nothing from whence it came. I saw no subscription. It called on us to persuade young men not to enlist into the service of the United States. One of the men I know belongs to the Washington Society. The meeting was then adjourned to Fridy the 20th instant. Met according to the adjournment attended furthur to the evidence brought to substantiate the complaint against Deacon Boardman much the same as on the former occasion then appointed a Church meeting to attend furthur to the matter on Friday the 3d of Apr. next one o'clock afternoon. Met according to adjournment, again attended to the complaint against Deacon Boardman. Voted to adjourn the meeting three months.

1812 May 11 A complaint was laid before the Church by Jabez Ward a member of this Church against Deacon Wait Chatterton for what he published in the Rutland Herald dated Sept. 30, 1808. (see complaint on file) The Church voted said complaint not supported. Adjourned to the first Friday in June next at one o'clock.

Attest Lemuel Haynes, Pastor

1812 June 26 The Church voted to reconsider the vote they (Pg 41) passed the 3rd of April last. The vote refered to was to adjourn the meeting to attend to the complaint against Deacon Boardman three months.

Attest Lemuel Haynes

1813 May 21st At a Church meeting at the Meetinghouse the Church voted to adopt the articles for consideration Deacon Chatterton did not vote.

Attest Lemuel Haynes, Pastor

To the Ch of Christ in West Rutland: Brethren,

Whereas a serious difficulty has for sometime subsisted between myself and Deacon Chatterton which has an unfavorable influence on religion and whereas the late council have many of them declared that they did not result on the complaint against me which was "dishonesty in talk", as also I find there is a difference of opinion as to the meaning of the result and as it was deemed by a part of the council and part of the Ch and on further reflexion by myself improper for me to make that vindication necessary for the exonerating my own Character while the complainment was absent. These are earnestly to request the party complaining and the Ch to unite with me in a large mutual council as soon as may be that the matter may have an hearing which I think I have a right to request from reason from our Ch (Pg 42) articles for the sake of my own character, above all for the interest of religion.

Lem. Haynes

The Ch voted to grant the above request. The following Ch's were named: Deacon Chatterton nominated one half and myself the other viz: The Ch in Bennington, Manchester, Rupert, Benson, Cornwall, New Haven, Sudbury, Brandon, Pittsford, Pittsfield, E. Rutland, Hubbardton, that they meet on Wednesday, the 8th of Dec. next.

Attest Lemuel Haynes, Pastor

(Pg 58) Chose the Rev. Dan. Kent, Moderator and Rev. Rufus Cushman, Scribe. Opened with prayer by the moderator. Rev. Sam'l Leonard and Rev. Asa Messer being present by the request of the Parties concerned took seats with the Council. The following question was then submitted to the Council viz: In what relation does the Rev. Lem. Haynes stand to this Church and people? In taking into consideration this question resulted as follows:

It appears from the vote of the Church and people that he was called by them to take the charge of the church as a watchman or pastor; and that he actually complied and has for more than thirty years remained in this relation. We are not disposed to contend about the terms watch and care or pastoral care. The meaning of those terms is so nearly synonymous that it does not materially alter the case. We are not disposed to say that the relation is that of a regular Pastor to his Church and people, yet the mutual obligation were much the same (Pg 59) the relation is such that both Minister and Church greatly needed a Council (as the cause of religion is much concerned) to certify facts and to make all suitable inquiries into the ministerial deportment of the minister and also the reward which he has received from the Church and people, whether it be agreeable to contract or not. The following question was submitted to the Council for their advice provided Mr. Haynes should be dismissed Viz:

What ought the Chh and society, in equity and justice to give him as a remuneration upon his dismissal?

But before the Council resulted upon this question: they attended to the expediency of a dissolution of the connexion between Mr. Haynes and his Chh and People; and voted that it is expedient for the connexion to be dissolved. In consideration of the question what ought the Church and society to give Mr. Haynes in equity and justice as a remuneration upon his dismissal including what is now due on subscriptions and tax bills laid before the council; resulted that taking into consideration his age and great

length of time which he has spent in their service, the respectability (Pg 60) of the society, and the good of the cause at large. They ought to give him three hundred dollars. And altho there appeared no impeachment of the moral or ministerial character of Rev. L. Haynes, yet it was judged by the council that his influences, in this place for the future seemed so improbable that it was unanimously agreed to proceed to dissolve the relation between pastor and Church, and we do now therefore declare the pastoral relation of the Rev. Lem. Haynes with the Church and people of West Rutland Dissolved; in full confidence that they will take measures to pay over to him the sum adjudged by the council as proper for them to grant him considering his long labors in this place and the time of life in which he is dismissed and while they lament the necessity of the dissolution of the connection which God has been pleased so evidently to own and bless they at the same time hope in the mercy of God, that the Lord of the Harvest will send them another pastor without delay to break to them the Bread of Life and that he will build them up in the most Holy faith. And we do also cheerfully recommend (Pg 61) Rev. Lem. Haynes as a tried and faithful minister of Jesus Christ, to all or any of the Churches where God in His Providence may call him to preach the gospel or administer the seals of the covenant of grace.

Friday 8 Sept. At a meeting appointed for Church conference enquiry was made whether the church wanted attend to business to be laid before the church; the enquiry being answered in the affirmative, brother Reuben Smith presented a written complaint as follows:

To the Church of Christ in West Rutland

Brethren, whereas Jacob Jackson, a member of this Church has repeatedly been guilty of disorderly walk and unchristian conduct and has repeatedly agreed with me that he would remove his stumbling blocks (Pg 89) but he still remains negligent. I have labored with him in the first and second step of labor and I now tell it to the church according to Matthew 18th.

Reuben Smith

N.B. For witness in the second step of labor please to call on brother John Smith and Rev. Amos Drury.

Clarendon, Sept. 15th 1820

Reuben Smith

After considerable time spent in the " examination of The complaint" the church requested brother Smith to receive the complaint and make the articles of charge more explicit, otherwise the complaint be returned to the church for further investigation.
Voted that this meeting be adjourned to three weeks from this day.

Friday Sept. 29 (Pg 90) Church met according to adjournment. Complaint without alteration read twice and after much labor and patient investigation the church appeared agreed that the complaint needs to be more explicit and on motion voted that brother Smith endeavor to have further opportunity with brother Jackson and that this meeting stand adjourned to four weeks from this day for further attention to this subject--

Attest Amos Drury, Pastor

Sabbath Oct. 15 Church voted a letter of recommendation to brother Luther Shaw recommending him to the fellowship and watch of the Church of Christ in Lisle County of Broom, N.Y.

Friday 24 May 1821 Church met according to adjournment and on the question being called-- Shall we attend at this time to the business of the last meeting, resolved that it is expedient to defer it till our next meeting. Brother Jabez Ward presented a complaint to the Chh against Mary Reynolds, one of its members, in the words following:

To the Church of Christ in West Rutland: Whereas our Sister Mary Reynolds some time last year so far departed from her covenant obligation to God and her brethren as to cohabit with a young man in bedding with him as man and wife in an unclean manner-- and also in telling her parents and others that they were married which has no foundation in truth--(Pg 95) the truth of the first charge has been verified by the effect which has since taken place with her. I have told her her faults between me and herself alone and did not get satisfaction. I have taken with me one of our brethren and we have labored with her, but have not got full satisfaction. I therefore tell it to the Church praying them to take the case under their wise and prudent care and deal with our sister as it becomes their duty to God and her God. Deac. Boardman attended the 2 step of labor with me. She confesses the above charges to be true.

Rutland, 23rd April 1821

A confession was then read to answer the above complaint and the enquiry called whether she was willing to appear in a (Pg 97) public assembly on the Sabbath and hear that confession read-- to which she answered in the affirmative.

3. The following resolution was then read and adopted. Resolved that the confession of Sister Mary B. Reynolds on a complaint presented by Brother Jabez Ward be considered satisfactory, in answer to that complaint provided she avail herself of the first opportunity to attend public worship and hear it publicly read in the congregation.
